The perfect blend

DGB is one of South Africa's largest independent wine and spirit producers and distributors. We are on the lookout for a highly dedicated individual to be part of our winning team as **MCC Winemaker - Boschendal**

DGB (Pty) Ltd is seeking to appoint an exceptional, innovative and passionate Winemaker to take full responsibility for the award winning Boschendal MCC range.

Our true roots extend over 300 years when winemaking began at the Boschendal and Bellingham farms in the Cape Winelands. DGB (Pty) Ltd was formally established in 1990, which led to a number of further acquisitions with Boschendal in 2005, Franschoek Cellars in 2008, Brampton Wines in 2010, Fryers Cove in 2020 and Backsberg in 2021. Today, DGB is one of South Africa's largest independent wine and spirit producers and distributors, also representing some other carefully selected, highly regarded brands. Our vision is to grow our position as a leading South African wine producer, both locally and abroad. More information can be found at www.dgb.co.za

The successful incumbent must be in possession of a diploma or degree in Viticulture or/and Oenology and have working knowledge of quality- and business management systems. The MCC winemaker will work in close collaboration with the white wine winemaker who together will function as a team to manage staff as well as cellar procedures.

In support of our marketing and sales teams you must be willing to travel locally and internationally when required.

The remuneration benefits and career development opportunities you can expect to enjoy are in keeping with the status of the position.

Please submit a CV to recruitment@dgb.co.za for consideration.
Closing dates for applications are 14 September 2021.
